## **The Vow of Partnership**

### **Ice Breaker**

What is something crazy you have done for love?

### **Opening Question**

What stood out to you from the weekend message? Was there a scripture, principle, or action step that has stuck with you?

### **Scripture**

#### **Read Genesis 2:24 and Matthew 19:5-6**

What do you think it means to become united to a spouse? Share some examples of why a marriage could struggle to move from ME or YOU to WE.

Ben said, "Without a common vision in your marriage, you have two visions. Two visions = division." Share how a misalignment of visions in marriage could develop tension or even damage the relationship.

In what ways are you practicing a common vision for faith in your marriage? If this is an area of growth, what steps do you plan to take to improve this area of your marriage?

Of the last three important areas to maintain a common vision with your spouse, which one needs the most attention in your marriage? (Finances, Family, or Fun)?

What plans or disciplines can you put in place to improve this area of your marriage?

### **Next Step**

This week as a couple, take some time as a couple to discuss these three questions that will help strengthen your marriage.

1. Keep doing: What area of our marriage do we have a common vision?
2. Stop doing: What area of our marriage am I putting ME over WE?
3. Start doing: What area of our marriage do we need to establish a common vision for this week?
