Scripture

Read Proverbs 3:9-10, Exodus 23:19, Malachi 3:8-10

What are first fruits and why are we called to give them to the Lord? How does tithing demonstrate a trust in God?

Has giving been a way for you to worship God personally? Why or why not? If so, has it brought you closer to God? How does giving out tithes help us prioritize God's kingdom first?

It's been said, "Your greatest joy will come through giving rather than keeping. How and why does giving bring us joy?"

If you are comfortable, share what your own journey with tithing has been. Have you had bumps in the road? Have you seen God's blessing in your life?

How can you be atypical in how you steward what God has blessed you with financially?
