Application

RiverGlen, desires to be an irresistible church. We learned this week that one part of us becoming an irresistible church involves each of us taking part in the mission of making more and better followers of Jesus. Mission trips are a great example of going into an area to be the hands and feet of Jesus. What can you do individually or as a group to make RG irresistible to others? If you are currently not serving at RG, what areas could you start serving in?
